

## **Clean Commodities Corp. Announces Financing**

**Vancouver, BC – May 17, 2016 – Clean Commodities Corp.** (TSX-V: **CLE**) (“CLE” or the “Corporation”) is pleased to announce that it intends to conduct a financing consisting of a brokered flow-through component of up to 2,500,000 units at a price of \$0.10 per unit for gross proceeds of \$250,000 (the “Flow-Through Units”) and a non-brokered common share component of up to 3,250,000 units at price of \$0.08 per unit for gross proceeds of \$260,000 (the “Common Share Units”)(the Flow-Through Units and Common Share Units collectively referred to as the “Financing”).

### **Flow-Through Units**

Each Flow-Through Unit priced at \$0.10 will consist of one common share and one half of a common share warrant. Each whole warrant will entitle the holder to purchase one additional common share of the Corporation at a price of \$0.15 per common share for a period of 18 months from the closing date.

Proceeds of the Flow-Through Units will be used to explore the Corporation’s Quebec mineral projects.

The Corporation has engaged Secutor Capital Management Corp. to conduct the Flow-Through Units. The Corporation has agreed to pay a 7% cash fee on gross proceeds of the Flow-Through Units, issue non-transferrable brokers warrants equal to 7% of the total number of Flow-Through Units exercisable at \$0.10 for an 18 month period following closing and pay certain legal fees.

### **Common Share Units**

Each Common Share Unit priced at \$0.08 will consist of one common share and one half of a common share warrant. Each whole warrant will entitle the holder to purchase one additional common share of the Corporation at a price of \$0.15 per common share for a period of 18 months from the closing date.

Proceeds of the Common Share Units will be used for general working capital purposes and for the potential acquisition of additional mineral projects.

The Corporation may pay cash finder’s fees equal to 7% of the gross proceeds of the Common Share Units and issue non-transferrable finder’s fee warrants equal to 7% of the gross proceeds of the Common Share Units which in turn may be exercised at a price of \$0.10 per finders warrant for an 18 month period following closing.

Shares issued pursuant to the Financing under both the Flow-Through Units and Common Share Units shall be subject to a four-month hold period pursuant to applicable securities laws of Canada.

**About Clean Commodities Corp.**

Clean Commodities Corp. (TSXV:CLE) is an exploration company holding a 100% position in the Spodumene Lake and Dumont Lithium Projects, which combined represent a large tenure position in the Whabouchi Lithium District and a 50% interest in the district-scale Preston Uranium Project, one of the largest land tenure positions in the emerging Western Athabasca Basin. More information about CLE and its projects may be found at [www.cleancommodities.com](http://www.cleancommodities.com).

Signed,

Ryan Kalt, Chief Executive Officer
